

REMARKS

The Examiner has required Applicant to restrict this application to one of the following inventions:

- I a semiconductor device set forth in claims 7-9; or,
- II a method of making a semiconductor device set forth in claims 1-6.

Applicant hereby selects invention II, the method of making a semiconductor device, set forth in claims 1-6. Applicant reserves the right to submit any Divisional patent applications directed toward the non-selected invention.

An early action on the merits of this application is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: July 23, 2004
